

FOR THE BIRDS!
A Photographic Journey
by
Bonnie Talluto

On View in Teatown's Nature Center Gallery
January 17, 2012 through March 4, 2012

Artist Reception: Sunday, February 12th, 3 – 5 PM

"I photograph birds because they are there." A resident of Ossining and an active member of the Ossining Arts Council, photographer Bonnie Talluto journeys through nature exploring and capturing images of birds. Her photographs do more than just provide a fleeting moment in a day in the life of these commanding creatures, they each tell a different story and are often whimsical. *"Perhaps you will find that one of the pictures has meaning for you, too."*
