I send greetings to all those attending the 2020 Teatown Lake Reservation annual A Night in the Woods Gala. Your honorees are wonderful examples of people who work for your vision to inspire our community to lifelong environmental stewardship. The number of children and families who have relied on and benefitted from Teatown is truly something to be proud of.

I wish to add my congratulations to the prominent individuals being honored this year.

A photograph of a wooden boardwalk winding through a dense, lush green forest. The path is made of light-colored wooden planks and leads into the distance, flanked by thick foliage and tall trees. The scene is captured in a soft, slightly desaturated green color palette, creating a serene and natural atmosphere. The word "Welcome" is overlaid in a large, white, serif font in the center of the image.

And we are doubly lucky to have been founded and sustained by generations of the Swope Family. Our “village” is deeply grateful for their contributions, talents, and friendship.
